The image shows the calligraphic character 'キ' (ki) in a bold, black ink style. The character is composed of several strokes, each numbered and accompanied by a red arrow indicating the direction of the brush. The strokes are: 1. A diagonal stroke from the top left to the center. 2. A diagonal stroke from the top right to the center. 3. A horizontal stroke across the middle. 4. A vertical stroke from the center down to the bottom. 5. A diagonal stroke from the bottom left to the center. 6. A diagonal stroke from the bottom right to the center. The character is set against a white background with a red horizontal line at the bottom. There are also red circles and lines around the character, possibly indicating the starting point or the end of the strokes.
